

LATINITAS

Discover how forty influential Latinas became the women we celebrate today!

From Supreme Court Justice Sonia Sotomayor to singer Selena Quintanilla to NASA's first virtual reality engineer, Evelyn Miralles, this is a book for aspiring artists, scientists, activists, and more.

These women followed their dreams—and just might encourage you to follow yours!

Check out the enclosed activities to learn more about *Latinitas*.

Match the Latinita!

These Latinitas have broken many barriers and accomplished so much.

Match each Latinita with their profession, by drawing a line connecting each woman to her accomplishment.
